CABLE DAHMER ARENA

WHY CABLE DAHMER?

Cable Dahmer Arena is a multi-purpose, state-of-the-art arena located off I-70. The complex is approx. 25 minutes from downtown Kansas City and four exits east of the Truman Sports Complex including Arrowhead Stadium and Kauffman Stadium. The $68 million dollar Spectra Venue Management managed arena features 5,800 fixed seats and 2,200 parking spaces and first-class amenities. Since opening in November 2009, the facility has hosted a variety of events including concerts, theatrical tours and sporting events. The building is home to two professional sporting franchises including the Kansas City Mavericks of the East Coast Hockey League, the Kansas City Comets of the Major Arena Soccer League. Additionally, the complex also manages a Community Ice facility dedicated to year-round ice sports and recreation.
